## **Ever You Say**

earthtone9

shudder, even me ? any should ? it sends pricks ? the sky's blue all you have to do is speak, speak, speak, speak shudder, even me ? any should ? it sends pricks ? the sky's blue all you have to do is speak, speak, speak, speak ever you say, whatever you say drag myself down, i can't get away shudder, even me ? any should ? it sends pricks ? the sky's blue all you have to do is speak, speak, speak, speak
