

Lately, Ive had the strangest feeling
With no vivid reason here to find
But yet the thought of losing yous been hangin
Around my mind

Far more frequently youre wearing perfume
With, you say, no special place to go
But when I ask will you be coming back soon
You dont know, never know

Oh, Im a man of many wishes
I hope my premonition misses
But what I really feel
My eyes wont let me hide
cause they always, start to cry
Cry
cause this time could mean goodbye

Lately Ive been staring in the mirror
Very slowly picking me apart
Said, Im trying to tell myself I have no reason
With your heart

Now, just the other night while you were sleeping
I vaguely heard you whisper someones name
But when I ask you of the thoughts youre keeping
You just say nothings changed
Ohhh, Im a man of many wishes
I hope my premonition misses
But what I really feel
My eyes wont let me hide
cause they always start to cry
cause this time could mean goodbye
