Twisting turning with your body Easy Feel free And then go a little crazy Never slip and slide Take it easy Move and glide Take you on a little ride Onto a dancehall vibe Here we go with the flow Let your love go Brother Don't smother Your lover Cause I'm going under cover What's going on in this world today As I lay on my bed I pray Oh, by the way

E17 ah yes here we go Sounds of the bass Now go with the flow F ree your mind your body and Soul And let the music take control Let it all go, let it all go Let it all go To a tempo roll and rumble Never tumble Cause you know I never stumble Cool and hu mble I buzz you like a bumble bee

```
Let it all go, let it all go (4x)
Let it all go, let it all go, we're gonna rock ya,
we're gonna rock ya (4x)
```
