

Love Is More Than A Feeling

East 17

Love is more than a feeling
Love is more than a feeling to me
Love is more than a feeling
Love is more than a feeling to me

More than a feeling
More than a name
More than emotion
Could ever explain
More than a passion
More than a trend
More than a lover
More than a friend
More than a friend

Love is more than a feeling
Love is more than a feeling to me
Love is more than a feeling
Love is more than a feeling to me
Here we go (3x)

New beat coming to getcha
New rhythm sent to fetch ya
More than a feeling
More than a craze
More than a path
More like a maze
More like a maze
(Now here comes the music)

Love is more than a feeling
Love is more than a feeling to me
Love is more than a feeling
Love is more than a feeling to me
Here we go (4x)

Time 4 for change
Time 4 a new thing
New chance to dance
New song to sing
See the rhythm, feel the vibe
New nation
Come alive
Come alive

Love is more than a feeling
Love is more than a feeling to me
Love is more than a feeling
Love is more than a feeling to me
Here we go (8x)

Love is more than a feeling
Love is more than a feeling to me
Love is more than a feeling
Love is more than a feeling to me
