Lies birthed kill innocence.

Childs smile turn upside-down.

Silence bears the mark you see, bring an end to what's to come. You don't see what I can see, twisted pictures haunting me, Failure trails so close behind, you'll just wait till we meet a gain.

You, You're the reason. You're the one that's stealing my freed

Anger scars another back, Child quiet to mask the pain, Running from a scary man, bring an end to what's to come. You don't see what I can see, twisted pictures haunting me, Failure trails so close behind, you'll just wait till we meet a gain.

Refresh me, renew me, refresh me, renew me?
