

# Lovin' You Is Fun

Easton Corbin

You've got a cousin who's telling you somethin'  
That doesn't have nothin' to do with the lovin' that we're in,  
baby  
I hear she's sayin' this game we're playin' should be complicat  
ed  
If you won't, I'll say it, I think she's crazy, cause

Love don't have to be a bunch of drama  
A bunch of knock-down, drag-outs, crying in the rain  
It's all right to keep it light now mama, don't you think  
We're having such a good time together and it's only just begun  
My heart's never smiled so hard  
Baby, lovin' you is fun  
It's fun

I'm walking around all over this town, ten feet off the ground  
So happy I found you, baby, I love it  
There's no self-help book on your shelf, you know too well  
They're trying to sell you somethin' for nothin', cause

Love don't have to be a bunch of drama  
A bunch of knock-down, drag-outs, crying in the rain  
It's all right to keep it light now mama, don't you think  
We're having such a good time together and it's only just begun  
My heart's never smiled so hard  
Baby, lovin' you is fun

Love don't have to be a bunch of drama  
A bunch of knock-down, drag-outs, crying in the rain  
It's all right to keep it light now mama, don't you think  
We're having such a good time together and it's only just begun  
My heart's never smiled so hard  
Baby, lovin' you is fun

This ole heart's never smiled so hard  
Lovin' you is fun  
Yeah it's fun  
Yeah it's fun  
Lovin' you is fun
