

## No Surprises

Easy Star All-Stars

A heart that's full up like a landfill  
A job that slowly kills you  
Bruises that won't heal

You look so tired, unhappy  
Bring down the government  
They don't, they don't speak for us

I'll take a quiet life  
A handshake of carbon monoxide  
And no alarms and no surprises  
No alarms and no surprises  
No alarms and no surprises  
Silent, silent

This is my final fit  
My final bellyache  
With no alarms and no surprises  
No alarms and no surprises  
No alarms and no surprises, please

Such a pretty house  
And such a pretty garden  
No alarms and no surprises  
No alarms and no surprises  
No alarms and no surprises, please
