

All I Can Remember

Easyworld

This is all I can remember after all I have forgotten
Well its you, ooooooo, no,
You can strive for a head of empty baby
Try and think of nothing but think of me
Ooooooo, no,no!

Well this is all I can remember after all I have forgotten
Well its you, oohhhh no,

You can strive for a head of empty baby
Try and think of nothing, think of me
Ooooooo, ooooo,
Alright, alright, your alright
Alright, no, oooo
Ooo, oooooh oohhh.
