

## You Have Been Here

Easyworld

Baby don't cry for me  
Been here for a while  
And I believe it's alright to be  
Through the screen with a smile  
This business of killing me  
Will be here when I'm gone

When I'm gone  
So long  
You have been here  
When I'm gone  
So long  
You have been here

Don't try and explain to me  
How the truth wore you down  
And how the insecure strain to be  
In the best seats in town  
For a future so grey to me  
Guess I won't see you there

Do they know  
Don't you know  
That you have been here  
Don't you know  
Don't you know  
That you have been here

And I'm gone  
So long  
You have been here
