

Gates of Hell

eatmewhileimhot!

You mock my words
I am a beast
I sold my soul
The devil feasts

Terrified hunger
Feed Me!

Open the Gates of Hell
Drink from the virgins blood
The fallen will carry me
I am the chosen one

I'll drive my ship
Into the ground
Only for safety
Torture myself

I am a beast
Fury

Open the Gates of Hell
Drink from the virgins blood
The fallen will carry me
I am the chosen one

Mark my words
It's over
Mark my words
It's over
Mark my words
It's over
Mark my words
It's fucked

This is the end (this is the end)
This is the end (this is the end)
This is the end (this is the end)
This is the end.
