He's standing alone with his gun in his hand  
Wondering why he's the man with the gun in his hand  
Brother of mine please don't take this choice  
Drop the gun and follow my voice

Refrain:

Ooh oh oh ooh  
Ooh oh oh ooh

Is it just enough for you to breathe?

Please don't pull the

Is it just enough for you to breathe?  
I'm begging  
Is it not enough to be just me  
Whoa

Is it just enough for you to breathe?  
I'm begging  
Is it not enough to just have me?  
Whoa  
Is it just enough for you to be?  
I'm trying  
And where I go you will follow
