

Mushroom

eatmewhileimhot!

Hey, Hey, Hey,

I'm boarding up my room,
I'm hanging up my noose,
I'm cutting back
I'm gonna die real soon,

I'm shooting up in puny now,
Just like a mushroom, a mushroom,
I'm shooting up in chemical swirls,
Just like a mushroom, a mushroom,

I'm flying to the moon,
The world is all but doomed,
Its save to say your screwed,
You're gonna die real soon,

I'm shooting up and puny now,
Just like a mushroom, a mushroom,
I'm shooting up in chemical swirls,
Just like a mushroom, a mushroom,

I'm shooting up and puny now,
Just like a mushroom, a mushroom,
I'm shooting up in chemical swirls,
Just like a mushroom, a mushroom,
