

Hit the Hooker

Eazy-E

Big titie shitty bang bang sittin' on a dick
Tryin' to play a pimp by the fifteen clicks
Hoes play with me weekly
So I'm down wit hoe play with my pee pee
Eazy muthaphukkin' access
Saggy baggy ass pants for a happy ass bitch
Ho ho ho to the ho and the cloe
Ski to the E or a piss in the snow
I take a hoe from the show to the mo' to the flow
To the inches where mo' now the hoe is gotta go
Pussy just as hairy as a panda, pink and peppy panther
Panty expander, tricks lick long while I lap long hard and fast
While I'm dippin' hunnies ass, throwin' harder with Barbara
Seein' sexy with Betsy, gettin' ready for Betty,
I hit the hooker heavy

I hit the hooker heavy
Ready to.... (4x)

Use a finger to when them real niggas comes to spread'em
Hittin' other peoples bitches so I'm comin' to ya weddin'
Head and the bill in the dark I begin with my dick
So you can say I have a head start
Comin' from the south of the border, cause I'm shorter
Than ya thought I was wife, whore, daughter in the order
Fuck all that one man one bitch shit
One condom, one dick, switch
To another after gun with a rubber
You can lick me like a lover wipe your mouth on the cover
I never dilly dally pimpin' Susan and Sally
Now you can find the couchie from Miami to Cali
Throwin' harder with Barbara
Seein' sexy with Betsy, gettin' ready for Betty,
I hit the hooker heavy

I hit the hooker heavy
Ready to.... (4x)

Bitches comin' with it for doublemint
Lookin' for ya homies
Cause the hoes know me like they owe me
I got a strip I hit when I'm lonely
Hit a bitch wit a whip and she run like Toby
So never count on me fool when in the true skool
Wit truce sluts lookin' for a crew screw
I flip and I flow when they go kinda low
Hoe better have my dough so suck silly
Hookers could stay or ya don't touch nuts
Really hook a good day
Adios disapear like a smoke your rejected
By a dick thats erect bitch
Sometimes I think I'm losin' it a lunatic
With a lot of automatic shit with clips
It ain't no thang to me it's the same ole slang
To me I roll with a long size gang with me
Throwin' harder with Barbara
Seein' sexy with Betsy, gettin' ready for Betty,

I hit the hooker heavy

I hit the hooker heavy

Ready to.... (8x)
