Well it be the real niggaz back

Bitch niggaz be pissin a fit
But I say fuck 'em, when I buck 'em
Its that nigga with the cool and mellow shit
For your ass takin' niggaz back through the past
All up on my nutz shit be swingin' like a fist
Can't even take a piss
If I did niggaz would cut they wrist
In a muthaphukkin candy 4
Beat that ass with the switch
Then blast on the bitch
Who was all in my shit
Its that nigga Ren back for the 9-5
They say real niggaz was dead
But this nigga be alive
So I'm puttin' it down wit that nigga E uh-huh
