

They say you're hidden in
the darkness but you see
Circle's confusion
Why I must kneel to you?
Is there hope after hope?
No, I'm asking for your name

Praying in vain
What does salvation mean?
Dust to dust
Womb to tomb
Ain't no Gift of God?
No...!

If only the suffering of children
If only the wars 'd never been
If only the lies never blind us
I'm waiting for answers still

The only certainly
is ending in a tomb
heading for nowhere
How can we keep the faith?
if we keep falling down
falling down one by one

Forever lost
Forsaken for what I am
Dust to dust
Womb to tomb
Ain't no Gift of God?
No...!
