## **Searching For An Answer**

Ebony Ark

Sometimes words confuse our minds Sometimes the tears of life try to hide Leaving memories behind You wanna live your life with no more fears

In these days of lies and envy They don't let be free That's the price

IF YOU WANNA FEEL AND YOU'RE SEARCHING FOR AN ANSWER IF YOU UNDERSTAND HOW CAN YOU FADE THE PAST IF YOU WANNA FEEL AND YOU'RE SEARCHING FOR AN ANSWER NOW YOU UNDERSTAND THAT TIME ALL PAIN HEALS

Need time to clear out your mind Still everuthing looks so So confuse Trying to scape from all mistakes And run away from all The scars deep inside
