

A Promise

Echo & the Bunnymen

You said "Something will change"
We were all dressed up
Somewhere to go, no sign of rain
But something will change, you promised

You said "Nothing will change"
We were almost near, almost far
Down came the rain
But nothing will change, you promised

A promise
A promise
A promise

It's exactly the same
You said "It's always the same
But I'll make it change
Into something the same, I promise"

A promise
A promise
A promise

Light on the waves
Light on the waves
Light on the waves
Light on the waves

A promise
A promise
A promise
A promise

(Light on the water)
A promise
(We could sail on forever)
A promise
(There's light on the water)
A promise
(We could sail on forever)
A promise
(There's light on the water)
A promise
