

# All My Life

Echo & the Bunnymen

Oh how the times have changes us  
Sure and now uncertain  
Men not devils have claimed us  
Purity deserting  
God's one miracle  
Lost in circles

All my all my life  
Revolves around  
Laughter and crying  
As my life turns  
Round and round

Cannon fire burning  
On the hillside  
You and I are side by side  
Listen  
Tin soldiers playing our tune

All my all my life  
Revolves around  
Laughter and crying  
As my life turns  
Round and round

Songs for life's lost lovers  
Bitter sweet their healing  
Their prayers prayed under covers  
Need not kneeling  
God's one miracle  
Moves in circles

All my all my life  
Revolves around  
Laughter and crying  
As my life turns  
Round and round

All my all my life  
Revolves around  
Laughter and crying  
As my life turns  
Round and round
