Do It Clean

Echo & the Bunnymen

I've got a handful of this What do I do with it? I've got a barrel of this What do I do with it? I do it clean, I do it clean

Do it clean, do it clean Know what I mean Do it clean, do it clean I know what I mean, I mean

Where am I going Where have I been Where are you going Where have you been I've been here, I've been there

I've been here, there, everywhere Here there nowhere Iszy bitzy witzy itzy everywhere I've been here and I've been there I'm clean

I had a handful of this What did I do with it? I had a barrel of this What did I do with it? I did it clean, I did it clean

Do it clean, do it clean Know what I mean? Do it clean, do it clean I know what I mean
