

# Never Stop

## Echo & the Bunnymen

Good God, You said, is that the only thing You care about?  
Splitting up the money and share it out  
The cake's being eaten straight through the mouth  
Poison, poised to come back in season  
For all the ones who lack reason

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love You found must never stop

The king is dead and long live the people who aim above  
All the simple stuff never understood  
Like right from bad and wrong from good  
Deny that You were ever tempted by the lie  
That there's an answer in the sky

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love You found must never stop

Oh, oh, oh, oh  
Oh, oh, oh, oh

N-n-never stop, n-n-never stop, n-n-never stop  
N-n-never stop, n-n-never stop, n-n-never stop  
N-n-never stop, n-n-never stop, n-n-never stop  
Never stop

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love You found must never

Measure by measure, drop by drop  
And pound for pound, we're taking stock  
Of all the treasure still unlocked  
The love You found must never stop

Never stop, never stop, never stop  
Never stop, never stop, never stop
