

Never Stop

Echo & the Bunnymen

Good God, You said, is that the only thing You care about?
Splitting up the money and share it out
The cake's being eaten straight through the mouth
Poison, poised to come back in season
For all the ones who lack reason

Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never stop

The king is dead and long live the people who aim above
All the simple stuff never understood
Like right from bad and wrong from good
Deny that You were ever tempted by the lie
That there's an answer in the sky

Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never stop

Oh, oh, oh, oh
Oh, oh, oh, oh

N-n-never stop, n-n-never stop, n-n-never stop
N-n-never stop, n-n-never stop, n-n-never stop
N-n-never stop, n-n-never stop, n-n-never stop
Never stop

Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never

Measure by measure, drop by drop
And pound for pound, we're taking stock
Of all the treasure still unlocked
The love You found must never stop

Never stop, never stop, never stop
Never stop, never stop, never stop
