

# Nothing Lasts Forever

Echo & the Bunnymen

I want it now  
I want it now  
Not the promises of what tomorrow brings  
I need to live in dreams today  
I'm tired of the song that sorrow sings

And I want more than I can get  
Just trying to, trying to, trying to forget

I'd walk to you through rings of fire  
And never let you know the way I feel  
Under skin is where I hide  
The love that always gets me on my knees

And I want more than I can get  
Just trying to, trying to, trying to forget

Nothing ever lasts forever  
Nothing ever lasts forever  
Nothing ever lasts forever  
Nothing ever lasts forever

I want it now  
I want it now  
Don't tell me that my ship is coming in  
Nothing comes to those who wait  
Time's running out the door you're running in

So, I want more than I can get  
Just trying to, trying to, trying to forget

Nothing ever lasts forever  
Nothing ever lasts forever  
Nothing ever lasts forever  
Nothing ever lasts forever

All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you  
All the shadows and the pain  
Are coming to you
