Seven Seas

Echo & the Bunnymen

Stab a sorry heart With your favorite finger Paint the whole world blue And stop your tears from stinging Hear the cavemen singing Good news they?re bringing

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell

A longing for Some fresher feeling Belonging Or just forever kneeling Where's the sense in stealing Without the grace to be it

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell

Burning my bridges and smashing my mirrors Turning to see if you?re cowardly Burning the witches with mother religious You?ll strike the matches and shower me In water games, washing the rocks below Taught and tamed in time with tear flow

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise

Seven seas Swimming them so well Glad to see My face among them Kissing the tortoise shell
