

Sunken sky of silver gray,
A shame they took the sun away,
I could have done with some,
Today the world's a shade of blue,

Decidedly because of you,
Honey, I don't know why.
I've seen the sign, the silhouettes, the darker side,
I know so well.

I don't where I've fallen,
I don't where I've fallen,
Only one way to go,
I won't miss you.

Magic tales and pony tails and fingernails,
That should have been cleaned,
Yesterday, far away,
The memories swell,

The minutes fade,
Hours pass and decades fail,
Honey, I don't want to die.
And life is like unfaithful sand,

Slipping through this opened hand.
I don't where I've fallen,
I don't where I've fallen,
Only one way to go,

I won't miss you,
I won't miss you,
I won't miss you.
