

Shattered glass, shooting stars, silver sparks
Come and shine on me
Take your time, don't hurry baby
Break a smile, when you come to me
I'm up on a high
Catch me if you fall
Up on a high
Your love fills me like a waterfall
Iris art, skin on skin, let me in
Take a ride with me
Take a trip, don't worry baby
Love the way we satisfy a need
I'm up on a high
Catch me if you fall
Up on a high
Catch me if you fall
You love fills me like a waterfall
Love. Love. Love. Love.
Love. Love. Love. Love. Love.
Slaughterhouse nursery rhyme
Numb it with your anodyne
Seraphim serpentine
Wrap me in your anodyne heart
I'm up on a high
Catch me if you fall
Up on a high
Catch me if you fall
You love fills me like a waterfall
