

Up To You

Echosmith

Want you to come back to me
Oh 'cause you wanted to, not 'cause you needed to
You're all that I need
Oh and I love you
Yes I love you

I wear my heart on my sleeve
It's just what I do
But if there's too much to leave
Won't hold it against you

It's all up to you
It's all up to you

Want you to run back to me
Want you to drop it all
Oh and I'll take the fall
I want you to see that you don't have to fall
Don't have to lose it all
Don't wanna force you to be with me
I'll tell you the truth
But if there's too much to leave
Won't hold it against you

It's all up to you
It's all up to you

If you stay, give your heart away
If you don't stay, won't you come my way
(2x)

Won't you come my way
Won't you come my way
(8x)
