Up To You

Echosmith

Want you to come back to me Oh 'cause you wanted to, not 'cause you needed to You're all that I need Oh and I love you Yes I love you

I wear my heart on my sleeve It's just what I do But if there's too much to leave Won't hold it against you

It's all up to you It's all up to you

Want you to run back to me Want you to drop it all Oh and I'll take the fall I want you to see that you don't have to fall Don't have to lose it all Don't wanna force you to be with me I'll tell you the truth But if there's too much to leave Won't hold it against you

It's all up to you It's all up to you

If you stay, give your heat away If you don't stay, won't you come my way (2x)

Won't you come my way Won't you come my way (8x)
