

Lost

Econoline Crush

Give me pleasure, give me pain
All things to make it fade
Take me where I wanna go
I am, I am lost
Chorus:
Yeah! I won't crawl Yeah!
You just take and take from me
You just take and take from me
Sell me pictures, black and white
Sell me dreams of paradise
Make it all look so damn good
I am, I am no foul
(Chorus)
Give me pleasure, give me pain
All things to make it fade
Take me where I wanna go
I am, I am lost
(Chorus)
