

Sparkle And Shine

Econoline Crush

(T. Hurst/R.Morfitt/D.Yaremko)
Sometimes i feel i'm going under
You don't feel nothing at all
Give me hope,
Give me something to believe in
This jaded heart was never enough
You don't know me
You know you never will
Can't see inside me
Lost out on the thrill
Killed by ambition
Sacrificed for fame
One more time, one last time
Sparkle and shine
Your rejection's intoxicating
My high is incomplete
Kill the pain
Plug the hole, stop the music
You leave me hollow
Wanting more
Don't look back
