

The Tracks You Left On Me

Ed Bruce

How could I have known back at the start
The day might ever come when you would break my heart
Well, here it is but damned if you will ever know
Not a trace of what I feel inside will ever show

I'm not the first and I won't be the last
I can only judge your future by your past
And I would rather die than ever let you see

Any trace of the tracks you left on me

I will not go away as time goes by
And I'll walk around your mind until the day you die
And you'll keep wonderin' why you couldn't see
Any trace of the tracks you left on me

I'm not the first and I won't be the last
I can only judge your future by your past
And I would rather die than ever let you see

You'll never see a sign of the tracks you left on me
