Something In My Eye

Ed Harcourt

Spider has eight legs you know Spins its web the patterns flow

There's something in my eye Bloodshot in disguise God knows I really tried Making the big time Aiming to climb high

Scattered seeds can't fight the cold Circus horse just wants to hold

There's something in my eye Bloodshot in disguise God knows I'm really tired Let's make the big time Aiming to climb high

Let's make the big time Aiming to climb high Aiming to climb high

Spider has eight legs you know
