Best Part of Me

Ed Sheeran

My lungs are black, my heart is pure My hands are scarred from nights before And my hair is thin and falling out of all the wrong places I am a little insecure

My eyes are crossed, but they're still blue I bite my nails and tell the truth I go from thin to overweight day to day it fluctuates My skin is inked, but faded, too

But she loves me, she loves me Why the hell she love me When she can have anyone else?

Oh, you love me, you love me Why the hell do you love me? 'Cause I don't even love myself

Baby, the best part of me is you Lately, everything's making sense, too Oh, baby, I'm so in love with you

I overthink and still forgive I lose my phone and place my bets And I never catch the train on time Always 30 minutes behind Your worries ain't seen nothin' yet

But you love me, you love me Why the hell you love me so When you could have anyone else?

Yeah, yeah He loves me, he loves me And I bet he never lets me go And shows me how to love myself

'Cause, baby, the best part of me is you Whoa-oh-oh-oh Lately, everything's making sense, too Baby, I'm so in love with you

With you Da-dum, da-dum, da-dum, da-dum

Baby, the best part of me is you (Whoa-oh-oh) Lately, everything's making sense, too Oh, baby, I'm so in love with you (Oh) Baby, I'm so in love with you (Yeah, yeah) Oh, baby, I'm so in love with you
