

Castle on the Hill

Ed Sheeran

When I was six years old I broke my leg
I was running from my brother and his friends
And tasted the sweet perfume of the mountain grass as I rolled
down
I was younger then,
Take me back to when...

I found my heart and broke it here
Made friends and lost them through the years
And I've not seen the roaring fields in so long,
I know I've grown
And I can't wait to go home

I'm on my way
Driving at 90 down those country lanes
Singing to 'Tiny Dancer'
And I miss the way you make me feel, and it's real
We watched the sunset over the castle on the hill

Fifteen years old and smoking hand-rolled cigarettes
Running from the law in the backfields and getting drunk with m
y friends
Had my first kiss on a Friday night,
I don't reckon that I did it right
But I was younger then,
Take me back to when...

We found weekend jobs, when we got paid
We'd buy cheap spirits and drink them straight
Me and my friends have not thrown up in so long, oh how we've g
rown
But I can't wait to go home

One friend left to sell clothes,
One works down by the coast,
One had two kids but lives alone,
One's brother overdosed,
One's already on his second wife
One's just barely getting by
But these people raised me
And I can't wait to go home

I'm on my way,
Driving at 90 down those country lanes
Singing to 'Tiny Dancer'
And I miss the way you make me feel, and it's real,
We watched the sunset over the castle on the hill
