

# Don't

Ed Sheeran

I like them la la  
I met this girl, late last year  
She said don't you worry if I disappear  
I told her I'm not really looking for another mistake  
Call an old friend thinking that the trouble would wait  
And then I jump right in a week later in turn  
A record she was only looking for a lover to burn  
But I gave her my time, for two or three nights  
Then I put it on pause until the moment was right

And then I wait 4 months until our paths crossed again  
She told me I was never looking for a friend  
Maybe you can swing by my room around 10  
Baby bring the lemon and a bottle of gin  
We'll be in the sheets till the late a.m.  
Baby if you wanted me you should've just said  
She singing I like them la la

Don't fuck with my love  
That heart is so cold  
All over my arms  
I don't wanna know that babe  
I like them la la

Don't fuck with my love  
I told her she knows  
Take aim and reload  
I don't wanna know that babe  
I like them la la

And for a couple weeks  
I only wanna see her  
We drink away the days with a take away pizza  
Before a text message was the only way to reach her  
Now she's staying at my place and loves the way I treat her  
Swinging at a reaper  
Fall over the trap like a feature  
Never wants to see that guess I don't want to either  
But me and her we make money the same way  
4 cities, 2 planes the same day  
And those shows have never been what it's about  
Maybe we'll go together and just figure it out  
I'd rather put on a film with you and sit on the couch  
But we should get on a plane or we'll be missing it now  
We should've written it out, the way things played out  
She was kissing him out, I was confused about  
She should figure it out while I'm sat here  
Singing I like them la la

Don't fuck with my love  
That heart is so cold  
All over my arms  
I don't wanna know that babe  
I like them la la

Don't fuck with my love  
I told her she knows

Take aim and reload  
I don't wanna know that babe  
I like them la la

\*knock knock knock\* on my hotel door  
I don't even know if she knows what for  
She was crying on my shoulder, I already told ya  
Trust and respect is what we do this for  
I never intended to be next  
But you didn't need to take him to bed, that's all  
And I never saw him as a threat  
Until you disappeared with him to have sex  
Of course, it's not like we were both on tour  
We were staying on the same fucking hotel floor  
And I wasn't looking for a promise or commitment  
But it wasn't never just fun and I thought you were different  
This is not the way you realize  
You wanted it's a bit too much too late if I'm honest  
All this time god knows I'm singing  
Don't fuck with my love

That heart is so cold  
All over my arms  
I don't wanna know that babe  
I like them la la

Don't fuck with my love  
I told her she knows  
Take aim and reload  
I don't wanna know that babe  
I like them la la

Don't fuck with my love  
That heart is so cold  
All over my arms  
I don't wanna know that babe  
I like them la la

Don't fuck with my love  
I told her she knows  
Take aim and reload  
I don't wanna know that babe  
I like them la la
