

I was born inside a small town, I lost that state of mind  
Learned to sing inside the lord's house  
But stopped at the age of nine  
I forget when I get awards now, the wave I had to ride  
The paving stones I played upon, that kept me on the grind  
So blame it on the pain that blessed me with the life  
Friends and family filled with envy, when they should be filled with pride  
And when the world's against me, is when I really come alive  
And every day that Satan tempts me, I try to take it in my stride

You know that I've got whisky with white lies, and smoke in my lungs  
I think life has got to the point, I know without it's no fun  
I need to get in the right mind and clear myself up  
Instead I look in the mirror, questioning what I've become  
Guess it's a stereotypical day, for someone like me  
Without a nine to five job or a uni degree  
To be caught up in the trappings of the industry  
Show me the locked doors I'll find another use for the key, and you'll see

I'm well aware of certain things that can destroy a man like me  
But with that said give me one more  
I am another one to take the sting away  
I am happy on my own so here I'll stay  
Save your loving arms for a rainy day  
And I'll find comfort in my pain eraser

I used to think that nothing could be better than touring the world with my songs  
I chased the picture perfect life, I think they painted it wrong  
I think that money is the route of all evil, and fame is hell  
Relationships and hearts you fix, they break as well  
And ain't nobody want to see you down in the dumps  
Because you're living your dream and this should be fun  
Please know that I'm not trying to preach like I'm reverend run  
I beg you don't be disappointed with the man I've become

Conversations with my father on the A14  
Age 12, telling me I've gotta chase those dreams  
Now I'm playing for the people dad and they know me  
With my beaten small guitar, wearing the same old jeans  
Wembley stadium crowds, two hundred and forty thou  
I may have grown up but I hope that Damian's proud  
And to the next generation, inspiration's allowed  
The world may be filled with hate, but keep erasing it now, somehow

I'm well aware of certain things that will befall a man like me  
But with that said give me one more  
I am, another one to take the sting away  
Oh I am happy on my own so here I'll stay  
Well save your loving arms for a rainy day  
And I'll find comfort in my pain eraser  
And I'll find comfort in my pain eraser  
And I'll find comfort in my pain eraser

Welcome to the new show  
I guess you know I've been away  
Where I'm heading who knows

My heart will stay the same

Welcome to the new show

I guess you know I've been away

Where I'm heading who knows

My pain eraser

And I'll find comfort in my pain eraser

And I'll find comfort in my pain eraser

And I'll find comfort in my pain eraser

And I'll find comfort in my pain eraser
