

# Give Me Love

Ed Sheeran

1. Give me love, like her  
Cos lately I've been waking up alone  
The pain splatter tear drops on my shirt  
I told you I'd let them go

P: And that I'll fight my corner  
Maybe tonight I'll call you  
After my blood, turns into alcohol  
No, I just wanna hold you

R: Give a little time to me (We'll burn this out)  
We'll play hide and seek (To turn this around)  
And all I want is the taste that your lips allow

My my my my give me love (4x)

2. Give me love like never before  
Cos lately I've been craving more  
And It's been a while but I still feel the same  
Maybe I should let you go

P:

R:

My my my my give me love

R:

My my my my give me love (5x)

Oh My my Oh my my give me love lover (12x)

My my my my give me love (4x)
