

# I Don't Want Your Money

Ed Sheeran

Ayy, I'd do it for you all day

I been away on the road for a little while  
Today, I'm headin' home to make my baby smile  
She hates it when I am over a thousand miles  
Away, and I'm not there to pick up when she dials, yeah  
She's always lookin back, and sayin' "There was a time  
When you would be around every single night  
Now, I'm not sayin' that I want another guy  
But I need you here for the good times and the bad times"  
Yeah, the pullin' out my hair, gettin' mad times  
Not just the when I'm in your bed on my back times  
Cause baby, every time I call, it's a bad time  
Just want you here on your own

There ain't no diamonds, silver or gold  
They can replace a man's love in our home  
And she keeps tellin' me over and over

(She say) I don't want your money, baby, oh  
You know I just want your time  
(She say) I don't want your money, baby, oh  
You know I just want your time

I used to be around more, but I was strapped for cash  
And that's not attractive, workin' my ass  
I'm tryna make a success outta myself I guess  
I couldn't be more present, but I was in a mess  
I remember bein' on tour, stayin' up on the phone  
30 minute conversation, "Boy when you comin' home?"  
I can't be buildin' a family life here on my own  
Baby, I'm doin' it for us, so why you takin' that tone?  
Like I'm the bad guy  
I thought it would have made me better in your dad's eyes  
I'm busy stackin' up the paper for the bad times  
'Cause, baby, you never know  
I'm poppin right now, but there will come a day when I won't

There ain't no diamonds, silver or gold  
They can replace a man's love in our home (Yeah)  
She keeps tellin' me over and over

(She say) I don't want your money, baby, oh  
You know I just want your time (I want all of your love, your time)  
(She say) I don't want your money, baby, oh  
You know I just want your time (I just want your, I just want your time)

You know you're my baby (You know you're my baby)  
I'm sorry I been away, yeah, no lie  
Boy, you drive me crazy  
Why you gotta mess with my mind?  
You know you're my baby (You know you're, oh)  
I'm sorry I been away, yeah, no lie  
Boy you drive me crazy, you know, you know

I don't want your money, baby, oh (I don't want your money)  
You know I just want your time (Yeah, I want, yeah, I want your time)

(She say) I don't want your money, baby, oh (I don't want your money)  
You know I just want your time (Time, time)

And I love, and I love, and I love you  
Yeah, I love, and I love, and I love you  
And I love, and I love, and I love you  
But I want your time, yeah  
Want your time, time
