

# One

Ed Sheeran

Tell me that you'd turn down the man  
Who asks for your hand  
Cos you're waiting for me  
And I know you're gonna' be away a while  
But I've got no plans at all to leave  
Would you take away my hopes and dreams?  
And just stay with me

All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
Cos you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me you'll never leave  
Again cos you are the only one

Take my hand and my heart and soul I will  
Only have these eyes for you  
And you know everything changes but  
We'll be strangers if we see this through  
You could stay within these walls and bleed  
or just stay with me

All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
Cos you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
Cos you are the only one

Stumbling half drunk  
Getting myself lost  
I am so gone  
So tell me the way home  
I listen to sad songs  
Singing about love  
And where it goes wrong?

All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll leave again  
Cos you are the only one  
And all my friends have come to find  
Another place to let their hearts collide  
Just promise me, you'll always be a friend  
Cos you are the only one
