

# Runaway

Ed Sheeran

I've known it for a long time  
Daddy wakes up to a drink at night  
Disappearing all night  
I don't wanna know where he's been lying  
I know what I wanna do  
I wanna runaway runaway with you  
Gonna grab clothes, socks, in the morning, go  
How long could you leave him?  
Well dad just don't expect me back  
This evening  
Oh it could take a bit of time to heal this  
It's been a long day almost out of the roadway  
But I love him from the skin to my bones  
But I don't wanna live in this home  
There's nothing to say cuz he knows  
I'll just runaway and be on my own

I've never seen my dad cry  
Cold as stone, in the kitchen light  
I tell you it's about time  
But I was raised to keep quiet  
And this is what I'm gonna do  
Gonna runaway, gonna make that move  
Gonna grab clothes, and when it's morning, go

How long could you leave him?  
Well dad just don't expect me back, this evening  
Oh it could take a bit of time to heal this  
It's been a long day  
Almost out of the roadway  
But I love him from the skin to my bones  
But I don't wanna live in this home  
There's nothing to say cuz he knows  
I'll just runaway and be on my own

Back pack, and a flat cap  
Turned to the back  
Cause I packed my close up  
My dad wasn't in without that plan to attack and turns his shoulder  
I don't wanna live this way  
Gonna take my things and go  
If things change in a matter of days  
Could be persuaded to hold up  
And mama was the same  
None of us the same  
To get the god knows that  
I don't wanna runaway  
And one of these days I might just show that  
Put my home in a suitcase  
I wrote showlaces, and hold that  
Things change, but for now  
I leave town with a backpack on my shoulder

But I love him from the skin to my bones  
But I don't wanna live in home  
There's nothing to say and he knows  
I'll just runaway and be on my own
