

# Sing

Ed Sheeran

It's late in the evening  
Glass on the side now  
I've been sat with you  
For most of the night  
Ignoring everybody here  
We wish they would disappear  
So maybe we could get down now  
And I don't wanna know  
If you're getting ahead of the program  
I want you to be mine, lady  
To hold your body close  
Take another step into the no-man's land  
For the longest time lady

I need you darling  
Come on set the tone  
If you feel you're falling  
Won't you let me know  
If you love me come on get involved  
Feeling rushing through you from your head to toe

Sing!  
Louder!  
Sing!

This love is a blaze  
I saw flames from the side of the stage  
And the firebrigade comes in a couple of days  
Until then we got nothing to say and nothing to know  
But something to drink and maybe something to smoke  
Let it go until I wrote a change  
Singing we found love in a local rage no  
I don't really know what I'm supposed to say  
But I can just figure it out and hope and pray  
I told them my name and said it's nice to meet ya  
And then she handed me of a bottle of water filled with tequila  
I already know she's a keeper  
Just from this one small act of kindness, I'm in deep  
If anybody finds out I'm meant to drive home  
But I'm drunk and gonna live it now not?  
We just sit on the couch one thing  
Led to another now she's kissing my mouth

I need you darling  
Come on set the tone  
If you feel you're falling  
Won't you let me know  
If you love me come on get involved  
Feeling rushing through you from your head to toe

Sing!  
Louder!  
Sing!

Can you feel it?  
All the guys in here don't really wanna dance  
Can you feel it?

All that I can here is music from the back  
Can you feel it?  
Found you hiding here so hoped you taked my hand

Before the beats kicks in again  
Can you feel it?  
Can you feel it?

I need you darling  
Come on set the tone  
If you feel you're falling  
Won't you let me know  
If you love me come on get involved  
Feeling rushing through you from your head to toe
