

Tenerife Sea

Ed Sheeran

You look so wonderful in your dress
I love your hair like that
The way it falls on the side of your neck
Down your shoulders and back

We are surrounded by all of these lies
And people who talk too much
You got the kind of look in your eyes
As if no one knows anything but us

And should this be the last thing I see,
I want you to know it's enough for me
Because all that you are is all I'll ever need

I'm so in love, so in love, so in love, so in love

You look so beautiful in this light
Your silhouette over me
The way it brings out the blue in your eyes is the Tenerife Sea
And all of the voices surrounding us here they just fade out when you take a
breath.
Just say the word and they'll all disappear into the wilderness

And should this be the last thing I see,
I want you to know it's enough for me
Because all that you are is all I'll ever need

I'm so in love, so in love, so in love, so in love

Lumiere, darlin'
Lumiere over me
Lumiere darlin'
Lumiere over me
Lumiere darlin'
Lumiere over me
Lumiere darlin'
Lumiere over me
Lumiere darlin'
Lumiere over me
Lumiere darlin'
Lumiere over me

And should this be the last thing I see,
I want you to know it's enough for me
Because all that you are is all I'll ever need

I'm so in love, so in love, so in love, so in love

You looked so wonderful in your dress
I loved your hair like that
And in the moment I knew you better
