White lips, pale face Breathing in snowflakes Burnt lungs, sour taste Light's gone, day's end Struggling to pay rent Long nights, strange men

And they say
She's in the Class A Team
Stuck in her daydream
Been this way since 18
But lately her face seems
Slowly sinking, wasting
Crumbling like pastries

And they scream
The worst things in life come free to us
Cos we're just under the upperhand
And go mad for a couple of grams
And she don't want to go outside tonight
And in a pipe she flies to the Motherland
Or sells love to another man
It's too cold outside
For angels to fly
Angels to fly!

Ripped gloves, raincoat
Tried to swim and stay afloat
Dry house, wet clothes
Loose change, bank notes
Weary-eyed, dry throat
Call girl, no phone

And they say
She's in the Class A Team
Stuck in her daydream
Been this way since 18
But lately her face seems
Slowly sinking, wasting
Crumbling like pastries

And they scream
The worst things in life come free to us
Cos we're just under the upperhand
And go mad for a couple of grams
But she don't want to go outside tonight
And in a pipe she flies to the Motherland
Or sells love to another man
It's too cold outside
For angels to fly
An angel will die
Covered in white
Closed eye
And hoping for a better life
This time, we'll fade out tonight
Straight down the line

And they say She's in the Class A Team Stuck in her daydream Been this way since 18 But lately her face seems Slowly sinking, wasting Crumbling like pastries They scream The worst things in life come free to us And we're all under the upperhand Go mad for a couple of grams And we don't want to go outside tonight And in a pipe we fly to the Motherland Or sell love to another man It's too cold outside For angels to fly Angels to fly To fly, fly Angels to fly, to fly, to fly Angels to die
