

# Way to Break My Heart

Ed Sheeran

Star sign, Gemini Brown eyes, fair hair in the light  
We called time last night  
And I can't stop thinkin' 'bout her

And her lips upon mine  
So soft, feelings I don't know the name of  
Under the clothes we take off  
Used to be two hearts in love

Oh, why, oh why am I alone?  
Did I, did I do something wrong?  
Am I the reason, oh yeah, you found someone else?  
So tell me, girl

How can I live without love?  
How can I be what you want?  
'Cause when the morning comes around  
You're still gone and I'll say  
How can I see through the dark?  
All I can do is wonder where you are  
Are you happy in someone else's arms?  
Well, that's the way to break my

Heart  
That's the way to break my heart  
That's the way to break my heart  
That's the way to break my heart  
That's the way to break my-

First love never dies  
Guess I'll see you in another life  
12 years down the line  
There's just one thing I remember

Her lips upon mine  
So soft, feelings I don't know the name of  
Under the clothes we take off  
Used to be two hearts in love

Oh, why, oh why am I alone?  
Did I, did I do something wrong?  
Am I the reason, oh yeah, you found someone else?  
So tell me, girl

How can I live without love?  
How can I be what you want?  
'Cause when the morning comes around  
You're still gone and I'll say  
How can I see through the dark?  
All I can do is wonder where you are  
Are you happy in someone else's arms?  
Well, that's the way to break my  
Heart  
That's the way to break my heart  
That's the way to break my heart  
That's the way to break my heart  
That's the way to break my-

That's the-  
That's the-  
That's the-  
Did I, did I?  
That's the-  
That's the-  
That's the way to break my-
