

Where We Land

Ed Sheeran

Treat me beneath this clear night sky
And I will lie with you
I start to feel those butterflies
When I'm next to you

Tell me your secrets
Give me a friend
Let all the good times flood in
Do I love you?
Do I hate you?
I can't make up my mind
So let's freefall
See where we land

It's been this way since we were young
We'll fight and then make up
I'll breathe your air into my lungs
When I feel your touch

Tell me your secrets
Give me a friend
Let all the good times flood in
Do I love you?
Do I hate you?
I can't make up my mind
So let's freefall
And see where we land
