

Don't Be Bashful Little Girl

Eddie Cochran

Don't be bashful little girl, won't-won't you say hello
Don't you see me lookin' at the one I could love so
Woh-woh-won't you let me hold your hand
Try-y--y to steal a kiss or two
Maybe-baby, little baby maybe we could fall in love
Like I'm fallin' in love with you

Don't be bashful little girl, you look so all alone
Let me be the one tonight, the one to take you home
Woh-woh-won't you let me hold your hand
Try-y-y to steal a kiss or two
And maybe-baby, little baby maybe we could fall in love
Like I'm fallin' in love with you
Like I'm fallin' in love with you
Like I'm fallin' in love with you
