Git It

Eddie Cochran

(Well-oh, well-oh, whap-whip-whip-whip)
Once there was a girl
Oh-oh, what a girl
She said to me, where can it be?
Where's your Cadillac car?
A Cadillac car? (Cadillac car)
Where can I get me a Cadillac car
I don't have it now but I can get it (git it)
I don't have it now but I can get it (git it)
I don't have it now but I can get it (git it)
I'll do the best I can
(Git it, git it, git it)
Once there was a girl
Oh, she was so sweet
She said to me, where can it be?
Where's your diamond ring?
Diamond ring? (diamond ring)
Where can I get me a diamond ring?
I don't have it now but I can get it (git it)
I don't have it now but I can get it (git it)
I don't have it now but I can get it (git it)
I'll do the best I can
(Git it, git it, git it)
