## **Itty-bitty-betty**

**Eddie Cochran** 

Well Itty-Bitty-Betty got some rockin' shoes Well she's gonna rock away all her blues Well she's a-gonna make it to the record hop And when she starts a-dancin', man she ain't gonna stop Well Itty-Bitty-Betty she just loves to dance When she starts a-swingin', man you ain't got a chance Itty-Bitty-Betty loves the record hops Well your toes will be a-poppin' right through your socks Well now Itty-Bitty-Betty, just a-watch her go And when you rock with Betty don't you rock too slow She'll rock you to the left and she'll rock you to the right If you see bitty Betty you better duck out of sight
