My Blind Date

Eddie Cochran

Blind date, blind date Tonight's the night I've waited for I'm all dressed up and I shined my car I'm all ready, I can't hardly wait For my blind date Blind date, blind date, uh-huh What should I do, what should I say I hope she likes me well, anyway I'm all ready, I can't hardly wait For my blind date

My friends say she's a looker I'm reeling inside I got a feelin' I'm gonna be stealin' Kisses from my blind date tonight Blind date, blind date, uh-huh She's a teenage doll, so I've heard said Lucky me, I hope I don't lose my head I'm all ready, I can't hardly wait For my blind date
