

On My Mind Again

Eddie Cochran

If tried to keep a smile on my face
And make believe another never took my place
But just when I think I've forgotten, that's when
I got you on my mind again
I tell myself that the sun will shine
And there will be another love for this heart of mine
But just when I think, I'm about to win
I got you on my mind again
All my friends say; forget you, find me somebody new
But all my friends just don't understand
The love this heart holds for you
I tell my self that the sun will shine
And there will be another love for this heart of mine
But just when I think, I'm about to win
I got you on my mind again
