## **Eddie Cochran**

One minute to one, and you gotta go home And I didn't even kiss you, while we were alone I was sittin' there wishin', I could hold you tight But I reckon I waited just a little too long To... kiss you tonight One minute to one, how did it get so late Even though I didn't get to kiss you It's really been a wonderful date One minute to one, and the movie was great But your mama's gonna worry, 'cause it's gettin' so late I just wanted to tell you, that I love you so But I reckon I waited just a little too long So... we'd better go One minute to one, how did it get so late Even though I didn't get to kiss you It's really been a wonderful date I want you to know now, that I think you're nice But I reckon I'll wait till tomorrow night And... I'll kiss you twice
